

## The Upper Credit Trout Club: Be our guest!

We are extending an open invitation to all the Fly Fishermen to come and fish as our guest at The Upper Credit Trout Club. We are doing this as we have a handful of Full Membership slots available and we know that there is no better way to consider joining our Club than to come and fish it!

The Upper Credit Trout Club is a private Fly Fishing Club located on the outskirts of the village of Alton in Caledon. The Club has been in existence for over 40 years and several of the founders continue as active members today.

The Club is informal and dedicated to the spirit of catch and release Fly Fishing. Rainbow and Speckled trout abound. We have been able to preserve the character of the club by promoting natural conservation, by enhancing the quality of the ponds, river, grounds, club house facilities, by maintaining a sound financial position and a strong happy membership.

Altogether we are about 60 members and we come from as far afield as Burlington, Oakville Mississauga and Toronto, as well as from the local Caledon area. Fellowship and a common interest in Fly Fishing binds our members together and we are indeed fortunate to have such a perfect and serene place to enjoy our passion.

We also enjoy hosting prospective new members at the club and this can be arranged by emailing [info@theuctc.com](mailto:info@theuctc.com).

Full Membership of the Club costs \$1,000 initiation fee (which can be spread over 3 years) and \$750 annual dues. Full Membership gives you and your family (spouse/partner and dependent children under the age of 18) full access to the Club facilities and to all Club Functions. There are 5 Club Functions each year; Winter Day (in February), Clean-up Day (in April), Opening Day (in May), the Family Corn & Pig Roast (in August) and Closing Day (in October). Our Club Functions are well catered and beer and wine is made available. Club Functions are free of charge for members and their families and a nominal charge is made for member's guests. Our Club Functions are very well attended and great fun!

Trial Membership is available for the cost of the \$750 annual dues. Clearly, we hope that all Trial Members will renew the following year as Full Members and so far, 100% have!

If you have any questions about this invitation or our Club in general then please email [info@theuctc.com](mailto:info@theuctc.com), or better still just give me a call.

Thanks. Simon Witts
