

HLS / TFC Equipment SWAP

Turn Old Fishing Equipment into new money or credit toward new equipment!

Saturday, April 9th 2022.

What Is a "Swap"?

A "Swap" is a sidewalk sale that we have at our location. It is the only time that we will carry used fishing equipment, and it is a great opportunity for anyone to buy or sell their used gear at a single forum that will potentially have a full house of viewers. **THIS WILL INCLUDE ALL SPINNING, FLOAT, BAITCAST, DOWNRIGGING AND FLY GEAR.** Anyone can bring in his or her old fishing equipment to be displayed to the public. This is an excellent way to update your gear, or to get some equipment at a great price - especially if you are just getting into the sport. Aside from the used equipment, **THAT DAY ONLY**, we also have great prices on new in-store inventory.

Buying Information:

The swap opens at **9:00am SHARP Saturday** and close at **2PM SHARP!** The owner permanently fixes all prices on the consigned items. Therefore, bids are **NOT** accepted as HLS/TFC pro-staff members are not necessarily the owners of the equipment. The equipment is only at HLS/TFC for the designated swap day. **All sales are final** on swap products. There are **no warranties or returns** on swap products. Potential buyers cannot preview the swap items before 9am. **CASH ONLY PLEASE! (DEBIT OR CREDIT CARD TRANSACTIONS ADD 5%)**

Selling Information:

Registration is open starting **Friday, April 1st from 10:00am** until **Friday April 8th at 6pm**. Items will **ONLY** be received between these dates. The selling price is fixed for the day. HLS/TFC is not responsible for the owner's equipment after the swap closes. TFC prefers cash sales for swap items - Credit card and debit card transactions will be permitted with a 5% surcharge.

What will I find at the Swap?

The contents of the Swap depend entirely on what is brought in by our customers. We do not know in advance what products we will have, although there should be a good variety of styles and prices. With your co-operation via the attached registration form, we will compile a synopsis of the potential gear and post it on our website in the days prior. The best selection is available Saturday morning, and obviously, the best of deals will go rapidly. Please do not call ahead for product information.

How do I find out if my item sold?

All unsold items **MUST** be picked up at **2pm Saturday April 8th**. You will be paid in full or credited via an HLS / TFC gift card for your sales at that time.

What happens if my item gets sold?

If your item is sold, your account will be credited for the sale amount. This account will be created as per the swap sheet provided at registration. If the owner of the equipment sells their product then the owner has the choice of either taking a 100% store credit via a gift card, or 75% in cash immediately. The store credit/gift card does not have an expiration date. Store credits and cash will be issued at the end of the day. (Store Credit / Gift Cards **CANNOT** be used towards the purchase of Swap Items.)

What happens if my item doesn't sell?

HLS/TFC does not charge a registration fee. If the fishing equipment does not sell, the owner must pick their items before the swap closes. Storage fees will be charged unless prior arrangements have been negotiated. HLS/TFC is **NOT** responsible for lost, damaged or stolen items subsequent to the pick-up time. Unsold equipment may be taken out before 3:00pm Saturday with proper signing authority.

How much is my item worth?

The price of the sale item is entirely in the seller's hands. All we can do is give a rough idea of what the item might sell for based on the quality of the item, and what other similar items are priced. If you wish to increase the chances of selling your item, use the lowest price that you are willing to take as there will be no negotiating.

U B N A & S W A P R e g i s t r a t i o n F o r m

Please fill out this form and email to info@thefirstcast.ca **ASAP**, so we can prepare for your participation by posting your items on the website prior to the event to create interest. Then bring this form with your equipment before the day of the sale. This will allow us to promote your items on our web site prior to the event.

Name: _____ Address: _____

City: _____ Code: _____ Phone: _____ Email: _____

Please list each item you intend to offer for sale. Include the minimum price you will accept. We are not in a position to barter on your behalf. If we are unable to sell any item you must retrieve it at the end of the day.

I have read and understand the terms of the sale as outlined in this brochure.

Signed: _____ Date: _____

Total Credit if sold \$ _____ Total Price Cash 75% _____

*Actual Store Credit \$ _____ Actual Cash Credit 75% _____

Items left Signature _____ Witness _____

Items returned Signature _____ Witness _____

Note – All Items must be labeled with pricing and owner’s name - Prices are final. Items are to be brought to the store and inventoried on this sheet the week prior to the sale and must be picked up by the end of the day Saturday and inventoried by HLS/TFC. After 10 days items left will be destroyed. All items are purchased on an “AS IS” basis and HLS/TFC does not warrant the quality or condition of any of the items listed for SWAP or UBNA. HLS/TFC will not negotiate prices on any items. All sales are final. After 60 days on the UBNA section, arrangements must be made for product pick-up. After 90 days, HLS/TFC is authorized to donate or destroy immediately.

*A store credit will be given for 100% of the value of items sold otherwise HLS/TFC will pay 75% of the total value of items sold in cash less the 5% Visa Charge if applicable.
